

## **Usage of the Sorrento Guest and Amenities Parking Areas**

Effective January 15, 2018 guest and amenities center parking areas will require a guest parking document (issued by KEB) to be clearly placed on the vehicle's dashboard for any overnight parking. The guests stay duration will be indicated by KEB on the issued document. Owners/Tenants and Long-term Guests are to use their unit's allocated parking and not to use the guest parking areas. These designated areas are allocated for short term guests. Unauthorized overnight parking in guests/amenities designated parking areas/spot will be subject to being towed at the owner's expense.

Please direct any questions to KEB Management or a member of the Sorrento Board.

Sincerely,

Sorrento Board / KEB Management
